

## **Grant Park Watch/Friends of Grant Park Minutes     June 13, 2019**

Attending: Tom Gardner, Deb Pizur, Jan Marsh, Lynn Crawford, Deb Wilhelm, Milwaukee County Supervisor Steven Shea, Annemarie Adsen, Betsy Abert, Patrick Hintz, Pam Uhrig

### Security:

Deputy S. Schultz and Deputy A. Sullivan from the Milwaukee County Sheriff's Office had no security issues to report. They provided information about the mobile app to use for reporting any illegal activity in the parks. It is best to provide as much information as possible when reporting an issue. Go to the Milwaukee County Sheriff's Office site and you will see the app called Milwaukee County Sheriff Mobile. Concerns discussed were: open carry is legal in the parks and at the beach, littering of cigarette butts at the beach and in the parking lots continues, a red motorcycle parked for several days at Area 5, people throwing rocks at a photographer in the 7 Bridges area, fires on the beach late at night, security during the July 4<sup>th</sup> celebration.

### County Supervisor Steven Shea:

The road in Wil-o-Way Park will be resurfaced next year. No plans have been made for the other roads. Many complaints have been made concerning the grass cutting: too much lawn is cut/ grass is too long. Parks is doing their best considering the amount of rain in the last month. South Milwaukee Police do a large part of patrolling the park and a comment was made that they should be compensated for their time in the park. Shared revenue and the Fair Deal program was discussed. A draft of the Smoking Ban was reviewed and whether the ban should be for just the beaches/picnic areas, or the entire park. Steven noted that this proposal could create a lot of attention and there would need to be a good showing of people to testify for it. It could possibly be on the agenda for September. The Oak Creek watershed study will not be completed until next year due to numerous public and formal meetings with political entities that must adopt the proposal.

### Treasurers Report:

Checking balance is \$2,252.61. Savings balance is \$3,468.50. Park people balance is \$10,421.10. Total balance is \$16,142.06.

### Cigarette ban:
